

It is my pleasure to help you make the most of your next visit to Washington D.C. My staff can help you reserve tours to the Capitol, White House, Supreme Court, Library of Congress, Kennedy Center, Pentagon and Bureau of Engraving and Printing.

Due to extremely high demand for reservations, I encourage you to request all tours **as early as possible**.

Many tours fill up months in advance and all are booked on a first-come first-serve basis. Unfortunately, the White House does not accept tour requests less than one month from the desired date and it is highly recommended that you request a tour **at least four months in advance**.
